SELECTMEN'S REPORT

Another year has passed since our last report to the people of Stoddard. Your Selectmen have been entrusted with the duties of administrating town affairs which are at times of vital importance to its citizens and at all times of intense interest to them. With the foregoing in mind a report of the condition and progress of the Town of Stoddard is presented covering a portion of the activities of the past year.

In order to reduce the cost of heating oil for the town facilities, namely the Town Hall, the Fire Station and the School, we submitted request for bids to seven different oil companies. The net result was a reduction in cost of 7.30% in heating oil bills.

In keeping with the State of N.H. requirement that every town complete a tax map by 1980, we are pleased to announce that our map is now complete at a total cost of $10,000. This is approximately one-half the cost required of most towns. William Dussault and David Crockett are to be highly commended for their devotion to this extremely difficult task. In connection with the annual maintenance each year of the tax map it is suggested that the sum of $500.00 be voted as a yearly fund and that its update be the responsibility of one person.

Money was approprpriated in the sum of $40,000 at last years Town Meeting to build a new fire station. Not only has the building been constructed, but the total cost was kept well within the sum of money allocated ($36,448.00).

The War Memorial, dedicated to the men of Stoddard who served in World War I was built around 1929-30 and last year came the time for repairs. Your Selectmen are happy to state that such necessary work has been accomplished.

The State Division of Forests and Lands has informed us that control of White Pine Blister Rust is vital to N.H. forests including those of Stoddard. Several areas have been found in Stoddard that have very hazardous conditions. These include areas near Center Pond and Chandler Meadows. RSA 223 provisions require that towns effected, financially support the eradication phase of the programs. The amount involved is $347.00 for 1976. This is an investment that is most worthwhile and we suggest its passage.

In order to assist in the process of assessing

property it is imperative that anyone building a dwelling or making an addition thereto file with the Selectmen a statement of Intent to Build. The forms are available at the Selectmens Office.

On June 7, 1975 the General Court passed an Act to extend the time limit for eliminating burning dumps for certain towns. Towns of less than 2,500 population shall not be required to close dumps until July 1, 1977. Written application for this extension must be made before July 1, 1976. This will be done in the near future.

The National Flood Insurance Program, which the town voted to participate in is expected to be approved within a few weeks. Pertinent forms and statements were forwarded as required including a map specifying the area that we consider to be flood prone as opposed to that as proposed by HUD. We have contacted the federal Engineers many times and have come to the conclusion that approval is eminent.

To design and carry out a sound program for the future well-being of our town requires two basic elements, namely concentrated effort and sound information. Your selectmen feel that they have and are making the necessary effort and that our fellow citizens have assisted us by giving us certain sound information that we often require. The following information is a partial breakdown relating to our efforts:

Town Hall Meetings	70	times (Days)
Assessed Property	17	"
Visits with other towns	8	"
Dog Census	3	"
Total	102	days

Total Hours 350.75

As in the past we sincerely hope for continued counsel and assistance from our fellow townspeople.

Respectfully submitted,

ROBERT C. RUMRILL
EARLE F. WESSON
EMILE J. VAILLANCOURT
Selectmen of Stoddard

THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

THE POLLS WILL BE OPEN FROM 1:00 P.M. to 7:00 P.M.

To the Inhabitants of the Town of Stoddard in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the Second day of March, next at one of the clock in the afternoon, to act upon ARTICLE 1:

1. To choose all necessary Town Officers for the year ensuing.

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday, the ninth day of March, at 7:30 of the clock in the afternoon to act upon Articles 2 through Article 26.

2. To raise such sums of money as may be necessary to defray town charges for ensuing year and make appropriations of the same.

3. To see what sum of money the Town Hall will vote to raise and appropriate for the Highways and Bridges for the ensuing year.

4. To see what sum of money the Town will vote to raise and appropriate for Snow Removal for the ensuing year.

5. To see what sum of money the Town will vote to raise and appropriate for the general expenses of the Highway Department for the ensuing year.

6. To see if the Town will vote to raise and appropriate the sum of Three Hundred Thirty-Six Dollars and Ninety-Three Cents ($336.93) for T.R.A. so called.

7. To see what sum of money the Town will vote to raise and appropriate for the maintenance of public landings.

8. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Fire Department for the ensuing year.

9. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the

provisions of the State and Local Assistance Act of 1972, the amount of Eight Thousand One Hundred Sixteen dollars and Forty-Seven Cents ($8,116.47) to be transferred to the Capital Reserve Fund for the new fire truck or to purchase new town equipment.

10. To see if the Town will vote to purchase a new fire truck, using the Capital Reserve Fund set up for this purpose, and raising any necessary additional funds for the same.

11. To see if the Town will vote to raise and appropriate the sum of Two Thousand ($2,000.00) Dollars to put into a capital reserve fund for a new fire truck.

12. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Police Department for the ensuing year.

13. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thirty-Eight Dollars ($238.00) in support of the operating costs of the Cheshire Hospital for the year 1976.

14. To see if the Town will vote to raise and appropriate the sum of Five Hundred Twenty-Six Dollars ($526.00) for the support of the Monadnock Region Association.

15. To see what sum of money the Town will vote to raise and appropriate for street lights for the ensuing year.

16. To see what sum of money the Town will vote to raise and appropriate for the maintenance of the Public Library.

17. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of Taxes.

18. To see what sum of money the Town will vote to raise and appropriate for the Town Dump.

19. To see if the Town will vote to raise and appropriate the sum of One Hundred Sixty-Three Dollars ($163.00) to support the services of the Community Health Clinic of the Monadnock Family and Mental Health Service.

20. To see if the Town will vote to raise and appropriate the sum of Two Hundred Seven Dollars and Sixty Cents ($207.60) as its fair share of the operating costs of the North Cheshire County Home Health Service.

21. To see if the Town will vote to authorize the Selectmen to hire one competent person to update the

Town Tax Map, and to raise the sum of Five Hundred Dollars ($500.00) for this purpose.

22. To see if the Town will vote to raise and appropriate the sum of Two Hundred Thirty-Four Dollars and Sixty Cents ($234.60) as the Town's share for the studies and operation of the Southwestern New Hampshire Regional Planning Commission.

23. To see if the Town will vote to raise and appropriate the sum of One Hundred and Fifty Dollars ($150.00) for the expenses of the Planning Board.

24. To see if the Town will vote to prevent any mobile home parks or trailer parks from being built in the Town of Stoddard.

25. To see if the Town will vote to raise the sum of Three Hundred Forty-Seven Dollars ($347.00) for the control of White Pine Blister Rust.

26. To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars ($5,000.00) to seal Shedd Hill Road.

Given under our hands and seal, this 9th day of February, in the year of our Lord nineteen hundred and 76.

REPORT OF LIBRARY TRUSTEES

Library hours for 1975 were held on Wednesday mornings from 9-11:30 and Thursday evenings 7-9.

In the spring the board of library trustees held a book sale. This sale was held in Sullivan along with other libraries from the area with a very good turnout of people and net sales. The library received $59.65 from the sale and the money was used for book jeckets, covers, stands, I.D. cards and paperbacks.

A revolving paperback book stand has enabled us to have much more space for the 102 new books purchased this year, compliments of Country News Company.

We would like to welcome the twenty-three newcomers to the Davis Library this summer.

With a greater interest in reading from residents as well as non-residents our circulation of books for nineteen hundred seventy five was 1,662.

Thanks to all those who generously gave books to the library and to Mrs. Dot Merchant for her gift of five dollars.

Special thanks to Kathy and Karl Bach, Cheryl and Stephen Peterson, Mary Jo, Marcy Ann and Maureen Meyer for their sale of all handmade crafts, netting a total of $46.65 to purchase new books in the childrens room.

BARBARA ROCKWELL
Librarian

We have had an interesting year at the library. The children are becoming more responsive to the idea of spending part of the hour reading.

This year we have several first and second graders who like to have someone read to them the books they have selected. Kim and Ros have been a big help to Mrs. Hill and me in doing this reading.

The children have written some good stories and drawn some fine pictures. Their Christmas art looked beautiful on the wall.

We are also doing research for the Bicentennial. Each child has a folder in which he is keeping stories

and pictures to have on display for "Old Home Day."

MARY M. LANE
Assistant Librarian

Telephone 357-0969

ANNUAL REPORT TO TOWNS

GILSUM MARLOW NELSON STODDARD SULLIVAN SURRY

The North Cheshire County Home Health Service is a health oriented agency which provides the six member towns with the services of a Registered Nurse on a visiting, part-time basis for twenty hours a week. The health services that are offered include skilled nursing care of the sick at home, and health guidance, which encompasses such areas as nutrition, health planning and assessment, disease prevention, information about healthful living and referral to other community resources.

A Registered Physical Therapise and a male Licensed Practical Nurse are also available on a contract arrangement, by appointment. We have recently started utilizing the services of a Homemaker/Home Health Aide, who has been furnished through the Keene Visiting Nurse Agency. This valuable resource offers assistance in homemaking and care of the sick at home on a more comprehensive basis than we have before been able to offer.

Our Child Health Conference, which provides free well-child care and immunizations to low-income families, has been maintained. The conferences are held at the Keene Clinic, in Dr. Gilbert Fuld's office, on a monthly schedule. This project is funded in part under agreement with the State of New Hampshire Division of Public Health, Bureau of Maternal and Child Health. We are hoping to be able to use our Child Health Conference to make supplemental foods available to it's participants through a new Federal program. This is currently only in the investigational stages.

This year we have implemented a Dental Care Program for pre-school children. There are presently 24 children enrolled, and we hope to continue with the program every six months.

The Agency is certified to participate in the Medicare Program and receive payment for these patients eligible under Medicare. The fee per visit for nursing care is adjusted according to the patient's ability to pay. All health guidance and disease prevention visits are rendered free according to Agency policies.

Several new ideas and projects have been given recent consideration; a prenatal clinic for Cheshire County, and

a blood pressure clinic for our towns. It is the joint efforts of the many people in our towns who have made these services and new ideas possible. Many have given their time to serve on the Board, on committees and in the membership drive. We are glad that all the towns have felt this service important enough to make appropriations for its support.

STODDARD HISTORIC SOCIETY

1975 ANNUAL REPORT

The past year has seen few changes and much activity at the Stoddard Historic Society. The Society has received a copy of a Stoddard Glass History project by Alan Rumrill as well as an appendix to the new town history. This addenda includes recently published information about Stoddard volunteers to the Battle of Bunker Hill, and was prepared for us by Doc Newell.

At the Annual Meeting in November, new officers were elected. Frances Rumrill is president; Ralph Newell vice-president; Shirley Anderson, secretary; and Lucy Hill treasurer. Director for five years is Ralph Merchant; Ethel Horsfall and Charles Eaton continue as auditors. Our membership stands at 43 members and families.

The Society doesn't sleep from one quarterly meeting to another. One of the busiest members has been Pheroba Wilson. Many people have found branches of their family tree through her meticulous genealogic research. In addition, students from Keene State College have done research on various historical projects using the Society's invaluable written and photographic records.

As the Society planned for our own Bicentennial celebration in 1974, we are again busy making preparation in conjunction with our country's festival. July 16-17 and 18 will be Old Home Days. Frances Rumrill, Helen McClure, Mary Lane, Lucy Hill, Alan Rumrill, Roger Hill, John Lightbody, Sr., Charles Eaton and Shirley Anderson are planning various activities to include house tours, public supper, children's programs, colonial costume dance, street dance, barbeque and picnic, plus special church services. Our application for Bicentennial Community status is pending at this writing. We will dedicate two Scarlet Oaks at the Town Hall and Davis Library as part of "Horizons 76."

These many plans are just coming to fruition as we approach the time of these festivities.

SHIRLEY ANDERSON,
Secretary

POLICE DEPARTMENT REPORT

Appearing in the picture from left are: Chief Balch, Nelson Special Officer; Deputy Earl Rockwell; Chief Constable Charles Eaton; Deupty Michael Eaton. Missing from photo is Chief Charles Woods, Washington.

In 1975 the number of police cases increased substantially over 1974, but changed in category. There were fewer domestic complaints and fewer motor vehicle accidents, but the number of breaking and entry cases, with accompanying larceny rose.

Apparently we have achieved an era of domestic tranquility, but are losing the battle on burglary and breaking and entry. Also, our motor vehicle record was spoiled by one fatality even though the 55 mph limit lessened the number of accidents overall.

All our cruisers have been equipped with emergency inhalation oxygen equipment. Any person having respiratory distress should call the emergency number of the Fire Mutual Aid Headquarters, where knowledgeable personnel are on duty 24 hours a day. The number is 352-1100.

Breaking and entry with larceny are troublesome and time consuming problems. More and more we need the help of all citizens. With fifty-four square miles of roads, camps, and water to cover, we need your eyes and ears to report any suspicious activity or strange vehicles and persons immediately. We feel that with everyone's help, we can cut down the incidence of crime. We are ready to respond in any emergency when you call.

CHALRES EATON
Chief Constable

REPORT OF STODDARD FIRE DEPARTMENT

We wish to thank all of the residents and non-residents who contributed to our recent fund drive for the new station, for which we collected $1,400. Many thanks to those people who organized and carried out the fund drive.

We held another chicken barbecue from which we cleared $300.

All of the money we received from the fund drive and barbecue was used to complete finish work on the new station an itemized list of which follows: Lights and wiring $1,003; Paving drainage ditch behind station $270; Lumber for Radio room $180; Paint and Stain $205.69; Norman Godwah painting station $150; Miscellaneous materials $72.76.

Many thanks to the ladies auxilary for all of their help, and for buying the paneling for the meeting room. Thanks go to Mr. Norman Godwah who did a beautiful job staining the station.

The department had 2 rescue calls, 2 fatalities; 1 auto accident; 1 heart attach victim; 5 lost persons; 2 building fires; 1 cover truck to North Branch; pumped out 6 cellars, and 1 well; 2 gas washes; 1 chimney fire; and cleaned 18 chimneys.

We wish to thank Community Ambulance Service of Marlow for their quick responses, together with members of the department who provide ambulance service to anyone in Stoddard free of charge.

Just a reminder that we clean chimneys, pump out wells and cellars at any time for townspeople at no charge. Please call Wayne Fuller 446-3477 or Wallace Weaver 446-3350. We hope to see everyone at our chicken barbecue again this summer.

Respectively submitted,

WAYNE FULLER - Chief
WALLACE H. WEAVER - Deputy Chief
RICK CANFIELD - Capt.
WALLACE R. WEAVER - Lieut.

RECYCLE REPORT

Recycling has not been active in Stoddard in the past year. The price of paper did not come back, but the price of lumber went sky high, making it seem questionable whether a paper shed, vetoed at last year's Town Meeting, could be built for the appropriation; and equally questionable whether it could be justified if it went over the appropriation. The matter is still open and the Selectmen have very kindly allowed the appropriation to remain on the books one more year, in case the situation changes.

Meanwhile your committeewoman was asked by the Selectmen to attend meetings of a Solid Waste Disposal Advisory Committee in Keene chaired by Al Merrifield, City Health Director, seeking regional solutions. Out of this have come some interesting proposals, which are still in the development stage.

The Committee learned first-hand of a pilot project in Palmer, Pa. of a Solid Waste Fuel Conversion and Materials Recovery System. Briefly, this system takes municipal and household solid waste, separates out the recyclables,--glass, iron, aluminum--from combustible waste, the latter is then shredded and afterwards compressed into fuel pellets which can be used by coal-burning plants in the same conveyer system as the coal. The consulting engineer for the Palmer system, Mr. Heikke Elo, spoke to our meeting and gave a very technical and precise presentation.

In December the Committee learned that application could be made to EPA for a Federal grant to start such a pilot project in the Keene area. It was too late to get up an application before the 1975 deadline, but it was decided to start work to apply for another year. If such a Waste Conversion and Recovery System were then built in the Keene area, the fuel pellets could then be used interchangeably and/or mixed with wood chips in Forester Calhoun's wood-chip-burning furnace, and could be used experimentally to heat a local municipal building.

The other interesting idea was a proposed Recycle Plant to be built in Wilton, N.H. by Don Craig of New England Waste Services, who collects and recycles the solid waste for Andover, Mass. His plan is to pick up the solid waste from the collection site of each participating town and separate and recycle it at his plant, and sell the recycleables. He needs a minimum of 50 tons/day solid waste to break even. He is still seeking statements of interest from enough area towns to provide this minimum base when he gets into operation. Several area towns

have expressed interest to him. His figure originally given at the meeting was better than Keene sanitary landfill figure, and even allowing for flexibility it should be about as good, with the added attraction that he would pick up from the towns.

In news from other recycle efforts in the area, scrap iron sells well, and glass is strong--the glass recycle plant in Dayville, Conn. wants to expand their operation and will take all they can get.

Respectfully submitted,

JANE ABERT

COMMUNITY AMBULANCE SERVICES, INC.

MARLOW, N.H.

The following data is offered in order to keep the residents of surrounding towns informed, as to services rendered during 1975.

TOWN	CALLS	EMERGENCY	TRANSFERS	RESPONDED BUT DID NOT TRANSFER
Marlow	34	27	5	2
Gilsum	31	14	17	
Stoddard	7	6	1	
East Alstead	2	2		
Alstead	2	2		
Acworth	1	1		
Total	77	52	23	2

INCOME	
Contributions	$5,000.00
Raffles	526.00
Total	$5,526.00

Operating and Maintenance Expenses $3,082.00

The Community Ambulance Services, Inc. has just found it necessary to purchase a new Motorola radio for $1,660, which will greatly increase our capabilities and efficiency. The new radio has not yet been paid for.

Also included in expenses for the year 1976, was a new beacon light for the top of the ambulance, and part of a new heating system was just installed.

THE STATE OF NEW HAMPSHIRE

STODDARD SCHOOL DISTRICT
SCHOOL WARRANT

To the inhabitants of the School District of Stoddard qualified to vote in District affairs:

You are hereby notified to meet at the Town Hall in said district on the first day of March 1976 at seven-thirty o'clock in the afternoon to act upon the following subjects:

1. To choose by non-partisan ballot the following school district officials:

A. Moderator for the ensuing year.

B. Clerk for the ensuing year.

C. Treasurer for the ensuing year.

D. A member of the School Board for the ensuing three years.

E. A member of the School Board for the ensuing one year.

F. Auditor for the ensuing year.

2. To determine and appoint the salaries of the School Board and fix the compensation for any other officers or agents of the district.

3. To hear the reports of Agents, Auditors, and Committees or Officers chosen and pass any vote relating thereto.

4. To choose Agents and Committees in relation to any subject embraced in this warrant.

5. To see if the school district will vote to adopt a plan for extending to employees of the school district the benefits of title II of the Federal Social Security Act (Old Age, Survivors, Disability and Health Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated amended by Chapter 302 and 332 of the Laws of 1955 and to raise and appropriate the sum of $500.00 to defray the districts share of the cost thereof.

6. To see if the school district wishes to exclude from the plan services in any class or classes of positions filled by popular election.

7. To see if the school district wishes to exclude

from the plan services in any class or classes of positions the compensation for which is on a fee basis.

8. To see if the school district wishes to exclude from the plan service in any class or classes of positions of election officials or election workers for a calendar quarter in which the renumeration paid for each service is less than $50.00.

9. If a plan for Social Security coverage is adopted to see if the school district will authorize the school board to execute on behalf of the school district the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the town will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

10. To see what sum of money the District will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents and for the payment of statutory obligations of the district.

11. To see if the district will vote to raise and appropriate the sum of two hundred dollars $200.00) as a contingency fund or to take any other action relative thereto.

12. To see if the district will vote to authorize the School Board to make application for, and to accept on behalf of the district any and all grants or other funds for educational purposes which may now or hereafter be forthcoming from the United States Government or from the State of New Hampshire for the school year 1976-1977.

13. To see if the district will vote to raise and appropriate the sum of five thousand dollars ($5,000.00) to be added to the previously established Capital Reserve Fund for building purposes.

14. To transact any other business that may legally come before said meeting.

Given under our hands at said Stoddard this ninth day of February 1976.

STODDARD SCHOOL DISTRICT

Nurse's Report

The School Health Program for the year 1974-75 included the semi-annual recording of heights and weights plus the vision and hearing screening of the enrolled students. Parents were notified of results indicating further examination. Two students obtained glasses.

The Tine test for tuberculosis was administered to the school personnel.

The pre-registration policy pertaining to the immunization requirements for school entrants has been modified. The following immunizations must now be completed prior to school entry: measles vaccine, diptheria, pertussis and tetanus (DPT), oral trivalent polio vaccine, rubella vaccine and tuberculin test. Home visits were made for the pre-registration of school entrants.

Health films were scheduled throughout the academic year in the areas of growth and development, nutrition, dental and personal hygiene, and safety.

Respectfully submitted,

GAIL JOHNSON, R.N.
School Nurse

SUPERINTENDENT'S REPORT

Human services in the overall spectrum of health, education and welfare have been subjected to constant public encounters as well as the extraordinary inflation of consumer goods and services. The life sustaining aspects of education providing academic skills and vocational competence are generally well accepted. Public education is constantly changing in scope beyond the basic skills in reading, writing and computation as conservation education, ecology, career education, and overall health and nutrition education have made significant impact. The constant demands of keeping up to date in preparing our children for national and international economic, political and social elements have broadened and intensified educational concepts.

Federal and State legislation have presented us with programs beyond any criteria previously anticipated. The mandated special services for the handicapped has significant impact on financial resources but provides a necessary component. Educational pressures have been increasing through the years for more and more individualization of instruction on the one hand and concurrently we live in a world society with more and more reliance on interdependency of nations and people. Every child should be given the availability of services to ensure his legal right to obtain a competent education. To deal effectively with people and resources requires breadth of academic programming and training.

The weight of taxpayer concerns are genuine in seeking accountability of operation and fiscal control. However, budgetary limitations should be in the form of realistic constraint considering necessary services for all children not arbitrary axing wherein the resultant impact cripples services, programs, and plant maintenance. Education, too, has been victimized by inflation of goods and services. Although we are a service agency we cannot provide adequate instructional growth without the materials and tools for instruction.

Our communities are projected for steady growth over the next several years. We are in a receiving residential area as the metropolitan and suburban populations shift millions of people to the rural areas on the fringe of the industrial belt. There has been pupil population growth in some of our communities and with it has come a critical need for expanded facilities.

We thank you sincerely for your interest and concern in providing the best possible education for our

children. We seek your support in providing an adequate budget as well as extending yourselves in support of tine education.

Thank you.

Respectfully submitted,

NEIL E. CROSS
Superintendent of Schools
